 - c) DOMA television program service based on television broadcasting license No. TD/7 pursuant to a decision dated 16 December 2008 (hereinafter referred as "**DOMA**");
 - d) DAJTO television program service based on license No. TD/47 granted by the Council for Broadcasting and Transmission pursuant to a decision dated 4 July 2011 (hereinafter referred as "**DAJTO**"),

granted by the Council for Broadcasting and Transmission as a competent authority under Act No. 308/2000 Coll. on Broadcasting and Transmission and on Amendment of Act No. 195/2000 Coll. on Telecommunications as amended.

2. MARKÍZA - SLOVAKIA, spol. s r.o. is based on a contractual relationship with TV NOVA s.r.o. (ID No.: 458 00 456) exclusively entitled to conclude contracts for the broadcasting, teleshopping, product placement and sponsorship of programs broadcast by the NOVA INTERNATIONAL television program service on the territory of the Slovak Republic under a license for television broadcasting No. RRTV/69/2016-FIA, File No. 2015/1083/FIA/CET as defined by the Radio and Television Broadcasting Council dated as of 7.1.2016 (hereinafter referred as "**NOVA INTERNATIONAL**").

(hereinafter referred to as TV MARKÍZA, DOMA, DAJTO and NOVA INTERNATIONAL jointly for the purposes of these Contractual Terms and Conditions as "**Program Services**" or as "**Program Service**").

A. INTRODUCTORY PROVISIONS

- 1) These are the Contractual Terms and Conditions of broadcasting of media commercial communication in Program Services (hereinafter referred to as the "**Contractual Terms and Conditions**"), which form an integral part and annex to the order/Contract for Broadcasting of media commercial communication in Program Services (hereinafter referred to as the "**Contract**") and shall become valid along with the Contract. Individual provisions of the Contractual Terms and Conditions shall not apply only if otherwise agreed in the Contract (under Section 273 (2) of the Commercial Code) or if their application is expressly excluded in the Contract.
- 2) For the purpose of the Contractual Terms and Conditions, "Price" shall mean a total price for fulfilment excluding VAT, agreed in the Contract (hereinafter referred to as the "**Price**").
- 3) For the purpose of the Contractual Terms and Conditions, "MS" shall mean MARKÍZA - SLOVAKIA, spol. s r.o., ID No. 31 444 873 (hereinafter referred to as "**MS**").
- 4) Any reference in these Contractual Terms and Conditions to the "**Commercial Code**" shall mean a reference to Act No. 513/1991 Coll., Commercial Code, as amended.

B. DEFINITION OF TERMS

For the purposes of the Contractual Terms and Conditions, the following terms shall have the following meaning

- 1) **Media Commercial Communication** shall mean audio, video or audio-visual information which directly or indirectly promotes products, services or good reputation of an entity engaged in economic

activity, and which – in return for monetary consideration or other comparable valuable consideration – is aired as part of a program or accompanies a program. Media Commercial Communication includes especially advertising, teleshopping, sponsorship, and product placement.

- 2) **Advertising** shall mean any public notice aired by Program Services for monetary consideration under the Act No. 308/2000 Coll. on Broadcasting and Retransmission and on the Amendment of Act No. 195/2000 Coll. on Telecommunications, the aim of which is to support the sales, purchase or lease of goods or services, including real estates, rights, and obligations or to achieve other results desired by the Advertiser.
- 3) **Advertising time** shall mean the provision of broadcasting time in the broadcasting of Program Services for the purposes of media commercial communication.
- 4) **Shot** shall mean a short audio-visual or visual work or other short Advertising or Teleshopping notice included in an advertising block or teleshopping block (also referred to as "**Ad shot**") or identification of a sponsor within the sponsored program (also referred to as the "**Sponsor link**"), aired as part of Program Services or as part of each Program Service individually.
- 5) **Advertising Campaign** or **Campaign** shall mean the provision of Advertising time in the amount and to the extent specified in the Contract in the respective Program Service or Program Services. Within the services under the preceding sentence, MS shall provide the Advertiser with services specified in Section D.17) hereof (hereinafter referred to as the "**Implementation of Campaigns**").
- 6) **Teleshopping** shall mean a direct offer broadcast to the public with the intention of providing goods or services, including deliverables, rights, and obligations in return for monetary consideration. The teleshopping may take the form of:
 - (a) teleshopping shot or
 - (b) teleshopping slot for a period of at least 15 minutes.
- 7) **Sponsorship** shall mean any performance provided to the Advertiser, designated as direct or indirect funding of program or the Program Service for a purpose to promote the name, business name, trademark, good reputation, goods or activities of the Advertiser.
- 8) **Product Placement** (hereinafter referred to as the "**PP**") shall mean audio, visual or audio-visual information on products, services or trademarks featured in the program in return for monetary consideration or other comparable consideration.
- 9) **Gross rating point** (hereinafter referred to as the "**GRP**") shall mean audience expressed as a gross percentage of total number of potential viewers, which reflects the value of the advertising block in TG, determined on the basis of minutes data of audience survey performed by the company TNS Slovakia s.r.o. based on the average audience of the advertising block (ie average break).
- 10) **Target Group** (hereinafter referred to as the "**TG**") shall mean a specified part of the Total Population aged 12 – 54 including guests (ie the person who watches TV in household and is not a member of such households, respectively member of people-meter panel) and VOSDAL ("viewing on the same day as live", ie viewing the program from the record on the same day as the program was aired on TV).

C. CONDITIONS FOR ENTERING INTO A CONTRACT WITH THE ADVERTISER AND RESERVATION PERIOD

- 1) **A precondition for Entering into the Contract** in the respective Program Service between MARKÍZA – SLOVAKIA, spol. s r.o. (hereinafter referred to as the "**MS**") and natural persons and legal entities

(hereinafter referred to in singular as the "**Advertiser**") is the acceptance of a binding order from the Advertiser side. The binding order must be signed by an authorised representative of the Advertiser (statutory authority or another person with signatory rights, whereby the Advertiser is obliged to prove such authorisation to MS) and, in addition to the precise identification of the Advertiser (name, registered office, company ID number, tax ID number, VAT ID number, etc.), the Advertiser must also specify which Program Service the Campaign is being ordered for (provided that the conditions of percentage split under Section C.2) hereof are met), time specification of Campaign, specification of footages and a financial budget for the Campaign (Price). Along with the binding order, the Advertiser shall, upon MS request, deliver an extract from the Commercial Register or other register no more than 3 months old, or other document proving the facts declared by the Advertiser. If the Advertiser of the binding order for broadcasting of media commercial communication is an agency, the acceptance of the respective binding order shall necessitate the submission of a written exclusive authorisation from the agency to purchase the respective advertising space in Program Services or in each of the Program Services individually, issued by the client, and a written confirmation that the Advertiser's scope of business activities includes advertising activities or intermediation of advertising sales, as well as specific information about the client to the extent set out in this Section. In the event of failure to fulfil the above-stated conditions, MS shall be entitled to reject the respective binding order, to refuse to enter into the Contract, and to refuse to air the respective Campaign.

The binding orders of pharmaceutical products must, in addition to the above mentioned facts, contain also a product specification, stating whether the respective product is a drug listed in the Database of Medical Products kept by the State Institute for Drug Control. The binding orders shall be accepted for individual months of the calendar year, unless otherwise determined by MS.

- 2) The Advertiser acknowledges that with the effect from 1 January 2018 the Advertising Campaign (provision of Advertising to the agreed extent) shall be implemented exclusively in accordance with the following determined percentage (%) split of available GRPs among MS Program Services
 - a. 76% of predicted GRPs within TV MARKÍZA Program service,
 - b. 13% of predicted GRPs within DOMA and NOVA INTERNATIONAL Program Services,
 - c. 11% of predicted GRPs within DAJTO Program service.

MS reserves the right to change the proportion percentage split under the preceding sentence (maximum 3 times in the course of the calendar year 2018) and the change in the proportion in percentage split shall be notified in writing to the Advertiser with whom MS entered into the Contract at least 45 days before commencement of the month in which new proportions in percentage split shall be applied. MS is not obliged to notify the Advertiser with the change set percentage (%) split of GRP for individual Program Services pursuant to the preceding sentence, if applied percentage (%) split of GRP for any Program Service is below 10% in any given month.

- 3) MS shall prepare on the basis of the binding order a Contract draft within 7 working days of the receipt of the binding order from the Advertiser according Article 1) of this Section C. of Contractual Terms and Conditions. Upon the draft of the Contract is being sent to email address of the contact person of the Advertiser, the reservation period for broadcasting of media commercial communication shall commence, ending within the period of following 5 working days (hereinafter referred to as the "**reservation period**"). If the Contract has not been signed within reservation period by the authorized person of the Advertiser, upon expiration of the reservation period the reservation of Advertising time and the draft Contract shall be automatically deemed null and void and the Advertiser shall pay to MS a reservation fee of 50% of the Contract Price according the last Contract draft sent by MS to the Advertiser prior to expiration of the reservation period, based on an invoice issued by MS. If Contract has been signed during the reservation period and the authorized person of the Advertiser has changed the required number of GRPs compared to the required GRP number in a binding order during the reservation period, the contracting entity is required to pay MS a reservation fee corresponding to 50% of the GRP difference in the binding order and the signed Contract, based on an invoice issued by MS. For the purposes of calculating the GRP value, the base incremental CPPs agreed in the Memorandum

on price conditions for a particular client of the Advertiser or in the Contract will apply, otherwise to GRP will apply the incremental CPP amount under the Sales Model 2018 MS published on webpage www.markiza.sk. The method of concluding the contracts referred to in Section 3) and 4) of this Article of the Contractual Terms and Conditions applies to advertisement broadcasting only.

- 4) Only during the reservation period the Advertiser shall be entitled to make binding adjustments of the respective Advertising time, provided that such adjustments are in accordance with the current offer of advertising time for specified Program Service and the conditions specified herein. Such adjustments of Advertising time MS shall reflect in the Contract draft within the reservation period. After signature of the Contract, MS may accept adjustments of the Advertising time provided that the Price is not thereby decreased in a lump sum by more than 10%. If the Advertiser will require after the signature of the Contract, the adjustment of the Advertising time, which would mean a Price reduction of more than 10%, the Advertiser is obliged to pay MS an amount equal to the amount corresponding to the reduction in the original Price, based on the invoice issued by MS. For avoidance of doubt, the amount paid by the Advertiser shall not be included in the Price, i.e. fulfilment of guaranteed budget.
- 5) By signing the Contract (ie in the case of PP by written acceptance/ acknowledgment of the binding order of the Advertiser by MS, and/ or in case of sponsorship by written confirmation/ signing of the terms of the Contract by the Advertiser prepared by MS on the basis of a binding order, and/ or in the case of advertising by written confirmation of draft of Contract prepared under Section 3) or 4) of this Article of the Contractual Terms and Conditions), the agreed contractual terms shall become binding for both contracting parties and may not be unilaterally amended by the Advertiser. If the Advertiser decides, after execution of the Contract, not to air a delivered Shot and to air an alternative Shot, the Advertiser shall be obliged to request MS in writing for such a change at least 5 working days in advance and deliver to MS an alternative Shot before the planned airtime (in accordance with Section D.1 hereof) provided that the respective change does not affect the agreed Price. If the Advertiser fails to deliver an alternative Shot as given in the preceding sentence (in accordance with Section D.1 hereof), it shall be deemed a material breach of the Contract by the Advertiser, MS shall not be liable for non-performance (failure to air the undelivered Shot), which could have not been implemented as a result of failure of/breach by the Advertiser to meet its obligations, and MS shall be entitled to be paid a contractual penalty of 100% of the agreed Price related to broadcasting of respective Shot.
- 6) MS reserves the right not to enter into the Contract with the Advertiser or not to accept the binding order of the Advertiser especially:
 - a) if a criminal prosecution has been commenced against the Advertiser,
 - b) if the Advertiser's assets have become a part of insolvency proceedings or if there is justifiable belief that insolvency proceedings or restructuring proceedings are to be filed against the Advertiser,
 - c) if the entitled party files a petition to place the Advertiser's assets under receivership, or
 - d) if, during previous Campaigns, the Advertiser has failed to perform obligations arising out of the Contract or the Contractual Terms and Conditions (e.g. failure to pay invoices in a due and timely manner or causes damage to the reputation of MS by its action),
 - e) MS is not objectively able to meet the conditions of the Advertiser in the binding order (e.g. sold out Advertising time),
 - f) if, by airing a Shot in which – with regard to the origin, content, or form thereof - there could be, at the discretion of MS:
 - i. a breach of generally binding regulations, especially Act No. 308/2000 Coll. on Broadcasting and Transmission and on Amendment of Act No. 195/2000 Coll. on Telecommunications, Act No. 147/2001 Coll. on Advertising and on the amendment and supplementation of certain acts, Act No. 250/2007 Coll. on Consumer Protection, Act No. 185/2015 Coll. the Copyright Act, Act No. 270/1995 Coll. on the State Language of the Slovak Republic, the Commercial Code, the Civil Code, and the Constitution of the Slovak Republic,

- ii. a breach of these Contractual Terms and Conditions,
 - iii. a breach of license terms and conditions specified in licenses for Program Service ,
 - iv. the potential of sanction against MS by third parties (e.g. the owners of rights, state administration bodies, entities affected by unfair competition etc.),
 - v. a breach of the legitimate interests of MS in relation to third parties, especially to other broadcasters and other legal entities, including but not limited to, if a Shot represents media commercial communication of a competitor of MS or media commercial communication of a product (service) competing to the MS product (service), including but not limited to e.g. program service, audio-visual media service on demand, etc. or service provided by the retransmission provider which is not at the same time the provider of Program Services,
 - vi. a conflict with good morals or fair business practice.
- 7) If any of the facts stipulated in letter f) Section C.6 occurs and it is possible to remedy the situation by replacement of a defective Shot, MS shall request that the Advertiser deliver an adjusted or alternative Shot. If the Advertiser fails to deliver an adjusted or alternative Shot, the Contract shall not be executed. If any of the facts stipulated in letter f) Section C.6 occurs in the period after execution of the Contract and the Advertiser fails to deliver an adjusted or alternative Shot prior to the planned airtime (in accordance with Section D.1) of Contractual Terms and Conditions), it shall be deemed a material breach of the Contract by the Advertiser, MS shall not be liable for non-performance (failure to air the undelivered Shot), which could have not been implemented as a result of failure of/breach by the Advertiser to meet its obligations, while MS shall be entitled to be paid a contractual penalty of 100% of the agreed Price related to broadcasting of respective Shot. MS shall be also entitled to withdraw from the Contract immediately without any sanctions and penalties claimed by the Advertiser. Any claim of MS for compensation of damage exceeding the contractual penalty shall not be affected thereby.

D. CONDITIONS FOR INCLUSION OF SHOT IN BROADCASTING, BROADCASTING, AND PRICES

- 1) Material for Campaign broadcast (i.e. the breakdown of broadcast Shots, carriers thereof, Accompanying Documentation of the Advertising Shot) including the delivery of adjusted or alternative Shot according Section C.7) or C.5) of these Contractual Terms and Conditions must be delivered by the Advertiser at its own expenses and risk to MS, no later than within 3 working days prior to the commencement of the first airing. For purposes of these Contractual Terms and Conditions the delivery of the shot shall be deemed by uploading to FTP server of MS. Shots must comply with the "Technical Terms and Conditions for Inclusion of Advertising Shots in Broadcasting of Program Services " published on webpage www.markiza.sk.
- 2) The Advertiser shall, at the latest together with uploading the Shot to the FTP server, deliver by email to responsible person in MS (e-mail address of a particular sales person in MS Sales Department) duly completed Accompanying Documentation of the Shot (including e-mail address of the person in charge on the part of the Advertiser) signed by an authorised signatory, for broadcast in the specified Program Service, containing a written specification of placing the Shot in the respective Program Service if the Advertiser delivers more than one Shot. A list of music used in the Shot, containing the name of the used songs, including the author of music, author of lyrics, performer, and length of the music used shall form an essential part of such Accompanying Documentation. If the Advertiser fails to deliver the duly completed Accompanying Documentation of Shot for broadcast in the specified MS program service to MS, it shall be deemed a material breach of the Contract by the Advertiser. In such a case MS shall be entitled not to include the Shot in the broadcast and MS shall not be liable for non-performance (failure to air the undelivered Shot), which could have not been implemented as a result of failure of/breach by the Advertiser to meet its obligations, while MS shall be entitled to be paid a contractual penalty of 100% of the Price related to broadcasting of respective Shot. In such a case MS shall be also

entitled to withdraw from the Contract with immediate effect. Any claim MS may have for compensation of damage exceeding the contractual penalty shall not be affected thereby.

- 3) The Advertiser is responsible for the accuracy and completeness of the information contained in the Accompanying Documentation of the Shot to the supplied pursuant to Section D.2) of these Contractual Terms and Conditions. If, due to inaccuracies of data provided, will be applied against MS any contribution from third parties, the Advertiser undertakes to pay MS a contractual penalty in the amount of proven claims of third parties on the basis of an invoice duly issued by MS within its maturity period which shall not be less than 30 days from the receipt by the Advertiser. Payment of the contractual penalty does not affect any claim of MS for compensation of damages and damages exceeding the contractual penalty.
- 4) MS shall be entitled not to include a Shot in the broadcast if the Shot has not been delivered to MS as specified in Section 1) of this Article hereof. If, despite this fact, MS includes the Shot that is delivered lately in the broadcast, MS shall not be liable for any defects connected with its broadcasting and for damage including loss of profit incurred thereby to the Advertiser or any third party.
- 5) If the Advertiser breaches the obligation under Section 1) of this Article hereof (the Advertiser fails to deliver a Shot or fails to deliver it on time in accordance with these Contractual Terms and Conditions or delivers a defective Shot to MS and fails to amend it or fails to deliver an alternative Shot prior to the planned airtime date pursuant to Section C. 7) or C.5) of these Contractual Terms and Conditions, it shall be considered a material breach of the Contract. In such a case MS shall not be liable for due and timely implementation of the respective performance (failure to air undelivered Shot, the Shot not delivered in time or defective Shot), which could not be fulfilled as a result of failure of the Advertiser to meet its obligations, and MS shall be entitled to be paid a contractual penalty of 100% of the agreed Price related to broadcasting of respective Shot. In such a case MS shall be further entitled to withdraw from the Contract with immediate effect. Any claim of MS for compensation of damage exceeding the contractual penalty shall not be affected thereby.
- 6) MS is exclusively authorised to disseminate any Shot produced for the Advertiser. MS shall, based on a written order of the Advertiser submitted together with the binding order for Advertising time in respective Program Service at the latest, produce a Shot for the Advertiser for its exclusive broadcast in Program Services, or dub an already-produced Shot into the Slovak language so that it can be aired in Program Services. The Advertiser shall pay a sum to MS specified in the order confirmed by the Advertiser for the production or dubbing of the Shot. If the produced or dubbed Shot is to be used by the Advertiser also for purposes other than broadcasting in Program Services, the Advertiser shall pay to MS a sum agreed between the Advertiser and MS in a separate contract, which shall form integral part of the order confirmed by the Advertiser. The respective sum based on such a separate contract shall include financial settlement for all creative persons participating in the production or dubbing of the Shot for use outside of the MS Program Services, in accordance with the applicable provisions of the Copyright Act.
- 7) MS shall air Shots in accordance with advertising blocks as stated in the Advertising price list of the respective Program Service (hereinafter referred to as the "**Price list**") and possibly specified positions within the specific advertising block specified the Contract. The confirmed airtime schedules shall be observed to the agreed extent with exception of the program modifications. The prices stated in the price list are excluding VAT. The applicable VAT rate shall be added to the invoiced amounts.
- 8) In the event of any changes being made to the planned airtime in the specified Program Service, the Advertiser shall only pay for the actual broadcast of Advertising, while MS shall be entitled to air the Shots with pre-specified positions also within unplanned (out-of-structure) program provided that the Campaign media parameters within the particular Contract (predicted GRPs) are kept. During the term of the Contract MS shall be entitled to air, due to time and program-related reasons also another,

technological Shots outside the framework of the fixed airtime. The airing of such Shots shall fully depend on MS operational capacity and the respective time schedule shall be defined in the Contract made between MS and the Advertiser. In such a case the total price for the Campaign stated in the Contract between MS and the Advertiser shall include the airing of all Shots, including technological Shots, the price of which with regard to their character shall not be individually specified in the Contract.

- 9) Changes in the price list shall be published by MS two weeks before they become effective on the webpage www.markiza.sk. Changes in price list shall not affect the Price in the Contract signed by both parties.
- 10) If the Advertiser fails to observe the contractually confirmed footage length of a Shot, MS shall be entitled not to air such Shot; however, the Advertiser shall be obliged to pay the contractually agreed Advertising time. In case of longer Shot footage MS shall be entitled to charge for the respective Shot the price as per price index corresponding to the nearest longer footage.
- 11) Conditions for broadcasting the Sponsor link
 - a. Sponsorship must include identification of a sponsor – the Advertiser, and must include the name if it is a legal person/entity, trade name or name and surname, if a natural person, or logo of the sponsor.
 - b. Sponsorship within the sponsored program must be specifically marked at the beginning and end of the program. It means that the program must be marked at least two times.
 - c. Under the sponsorship it is not possible to use various elements of advertising slogans and advertising campaign of the Advertisers.  - g. Sponsorship must identify the sponsor – the Advertiser and its connection with sponsored programs (in picture or sound). Sponsor link fulfills the primary function of information, i.e. to inform the viewer of the sponsorship program and enable them to identify the sponsor – the Advertiser.
 - h. Sponsorship must not contain elements typical for advertisement, showing the extent of their promotional purposes leading to direct or indirect promotion of the sponsor, product or services of the sponsor – the Advertiser. This includes both visual and verbal ways of promotion, especially positive evaluations, expressive words, slogans used in advertising or excerpts from commercials which lead to promotion. Sponsorship message must not specify or advertise feature/attribute of the product including positive evaluation of the sponsor, its product or service.
 - i. Sponsorship may also include contact information for the sponsor, for example telephone number, fax number, e-mail or website address of the sponsor, but these may not prompt the recipient to contact the sponsor – the Advertiser.
- 12) **Surcharges for positions in advertising block:**
 - a. For a requested first or last position of the Shot in an advertising block a surcharge of 30% shall be added to the Shot Price by MS.
 - b. For the second or second-to-last or other requested position of the Shot in an advertising block a surcharge of 25% shall be added to the Shot Price by MS.

c. For placing the second part of the Shot in the same advertising block a surcharge as defined in Section 16) "Tandem Shot price index" of this Article shall be charged.

13) If a product, service, name or logo of an entity other than the Advertiser (or the client if the Advertiser is an agency) appears in the Shot for up to 5 seconds of a 30-second Shot or in the same ratio in a Shot footage of different length, MS shall be entitled to charge a surcharge of 25% of the Price related to broadcasting of respective Shot. If the respective presentation is longer, the surcharge amount shall be determined by MS upon agreement with the Advertiser.

14) **Surcharges for Sponsor link, Product Placement and requested airing of the Shot (collection of ads)**

- a. For a Sponsor link MS shall charge the surcharge of 20% of the Price related to broadcasting of respective Sponsor link, except months July - August 2018 . For a Sponsor link in the form of injection (virtual banner) MS shall charge a surcharge of 40% of the Price related to broadcasting of respective Sponsor link.
- b. Product Placement within the selected shows of MS shall be invoiced according to an independent calculation on the basis of the type of Product Placement and the given show's ratings.
- c. For a Shot aired on request (collection of ads) within the selected advertising block by rotating of two or more Shots, MS shall charge the surcharge of 5 % of the Price related to broadcasting of respective Shot stated in the Contract.

15) **Price index of Shots of various lengths:**

Shot duration	10" and less	15"	20"	25"	30"	35"	40"	45"	50"	55"	60"
Price index	50%	75%	90%	95%	100%	125%	145%	160%	180%	190%	200%

16) **Tandem Shot price index:**

17) **Campaign implementation services:**

- a. Media planning of Campaigns of the Advertiser, i.e. Media plan elaborated in writing according to the Advertiser's requirements and delivered to the Advertiser prior to entering into the Contract for broadcasting of media commercial communication in the respective Program Service.
- b. Evaluation of media activities – post-buy of the Advertiser's Advertising Campaigns based on results of viewership ratings, delivered to the Advertiser always at the end of the respective calendar month pursuant to the specific Contract.
- c. Providing the information about ratings of TV program services and visit rate of MS web portals, including the related services.

Documents delivered in performance of Campaign implementation services must be delivered in person, by registered mail or via e-mail message delivered to the address of the Advertiser's contact person. The Advertiser acknowledges and agrees that remuneration for Campaign implementation is included in the invoiced Price calculated after airing of the Campaign and shall be in the amount of 10% of the stated Price.

E. PAYMENT AND INVOICING TERMS

- 1) Price shall be paid against an invoice issued by MS. The invoice shall be issued and the payment shall be made in Euros, unless other currency is agreed in the Contract.
- 2) Invoices shall be, as a rule, issued by MS on a monthly basis. The Advertiser shall pay each invoice within 21 days of the date of its issue, unless otherwise agreed in the Contract by the parties. If the Advertiser is in delay in payment of the due price, MS shall be entitled to claim from the Advertiser and the Advertiser shall be obliged to pay a late payment interest of 0,06% of the outstanding amount for each even commenced day of delay. A breakdown of the actual airtime of the respective Campaign shall form an integral part of the invoice. Objections concerning the invoices must be submitted by the Advertiser to MS by the 5th day from the delivering of the invoice; otherwise MS shall consider the invoice to be accepted by the Advertiser.
- 3) Prior to commencement of the Campaign broadcast MS shall be entitled to request an advance payment from the Advertiser. Unless agreed otherwise, the Advertiser shall pay the contractually agreed price of the Campaign in advance, no later than 5 working days before the commencement of the Campaign broadcast. If the Advertiser fails to pay within the period specified in this Section, it shall be considered a material breach of the Contract and MS shall be entitled to withdraw from the Contract. Any claim of MS for compensation of damage shall not be affected thereby.
- 4) MS shall be entitled to terminate the airing of a Shot and withdraw from the specific Contract also if the Advertiser fails to perform its financial or other contractual obligations towards MS even if based on other contractual relationship made with MS. In such a case MS shall call upon the Advertiser to remedy the situation and if the Advertiser fails to do so within a reasonable period provided to it for the fulfilment of its obligations, MS shall be entitled to withdraw from the Contract. Withdrawal shall become effective upon expiration of the provided period. However, the Advertiser shall pay to MS the due amounts along with compensation of damage and additional expenses incurred to MS as a result of airing termination.
- 5) The invoice shall be deemed paid on the day when the due sum is credited to the MS bank account.
- 6) All bank expenses and fees of correspondence banks and the Advertiser's bank shall be borne by the Advertiser.

F. LIABILITY

- 1) The Advertiser shall be solely and fully liable for the content of the Shot. The Advertiser undertakes to submit, for the broadcast of the program within the specified Program Service, a Shot, the content, form, and implementation of which shall be in accordance with applicable legal regulations of the Slovak Republic, which shall also meet the television broadcasting standards and license terms and conditions, and which shall not infringe any third party rights. The Advertiser undertakes to comply especially with provisions of Act No. 308/2000 Coll. on Broadcasting and Transmission and on Amendment of Act No. 195/2000 Coll. on Telecommunication, Act No. 147/2001 Coll. on Advertising and on amendment and supplementation of certain acts, Act No. 250/2007 Coll. on Consumer Protection, Act No. 185/2015 Coll. of the Copyright Act, Act No. 270/1995 Coll. on the State Language of the Slovak Republic, the Commercial Code, the Civil Code and the Constitution of the Slovak Republic. Should any third party seek to impose a financial claim on MS due to a Shot being in conflict with the above-stated regulations, the Advertiser agrees to pay to MS a sum of all costs claimed by such a third party from MS, including the financial claims, as well as the costs incurred to MS in relation to assertion of such claims. Any claim of MS for compensation of damage shall not be affected thereby. If the Advertising for drugs is part of the Shot contents, the Advertiser undertakes to submit for the respective MS Program Service broadcast

a Shot prepared in accordance with the respective provisions of Act No. 308/2000 Coll. as amended and the following text (hereinafter referred to as the "**Notice and Recommendation**"):

"Read the instructions carefully or consult your physician or pharmacist before using this product."

Notice and Recommendation in Advertising for drugs must be displayed in the Advertising depending on the number of words for the period of 0.5 second/1 word, however, always at least 8 seconds in total. Notice and Recommendation in Advertising for drugs must be displayed in the Advertising in such a size which enables viewers to read it clearly, the recommended size and type of front is specified in the Technical Terms and Conditions for Inclusion of Advertising Shots in Broadcasting of Program Services. At the same time, the Notice and Recommendation for the purpose of legible reading by regular viewer shall be displayed in clear contrast with the background of the Shot. If another text is contained in Advertising for drugs in addition to the above Notice and Recommendation (hereinafter referred to as the "**Additional Text**"), the conditions related to size and type of font, shall apply to the full extent to the entire text contained in Advertising including the Additional Text.
